## Company Overview

Ensonic is led by a team of highly skilled professionals with over 15 years of experience in market & brand development. "Ekin", derived from the Sanskrit word for simplicity, was founded with the vision to redefine the digital education space in India - making advanced technology accessible and easy to use for all.

As the digital landscape rapidly evolves, we are committed to bridging the gap between people and technology by delivering innovative solutions in the most simplified manner. We specialize in providing customized, end-to-end solutions across the education and corporate sectors for Smart & Virtual Classroom Setups, Video Conferencing Systems, Hybrid Solutions, and Recording Studio Rooms.

Our comprehensive capabilities include having our own state-of-the-art R&D and manufacturing facilities, allowing us to develop and assemble a wide range of products tailored to our customers' needs. This integrated approach not only ensures the reliability of our hardware but also enables us to provide prompt and effective after-sales service and support under our Customer First policy.

With over 40+ products in our portfolio and experience centers in 10+ cities across India, we are constantly pushing boundaries to make technology more accessible, easy to use, and impactful. Join us in our journey to build a smarter, simpler, and more connected future with Ekin.

## Vision

Our vision is to provide simple, easy-to-use, cost-effective, and high-quality IT hardware solutions for Smart Classes, Virtual Classes, Video Conferencing, and Recording Studio that simplify the end-user experience. We strive to disrupt the industry with integrated technologies and improve our customers' lives through technology.

## Mission

Our mission at Ensonic is to bridge the gap between customers and technology by simplifying their needs in all sectors specifically education and corporate sectors. We strive to raise the overall level of digitalization by providing quality support and service to make our customers future ready.

## Smart Class

Experience the future of education with our Smart Classroom Solution. Our simple to use solution help teachers to smoothly shift to new technology. Our aim to create a dynamic and engaging learning environment by involving both teachers and students in the process.

## Virtual Class

Technology to reduce the gap between faculty and learner. Convert your offline classroom to Hybrid classroom which can be accessed by anyone from anywhere.

**SOLUTIONS**

## Recording Studio

Experience of developing 1000+ Studio. Our expert technicians deliver high quality Studio for recording, editing and live streaming the content.

## Video Conferencing

Cost effective and scalable VC solution without compromising user experience. Customized solutions to address the need of user.

# ADVANCE AI ROYAL SERIES - Interactive Flat Panel

EKIN  
AI  
ASSISTANT

Available Size - 65", 75", 86"

High-Performance hardware paired with AI-powered software for enhanced productivity and intuitive user experience.

Lesson Plan  
Creation

Integrated AI  
white board

AI on PDF

Search Images

Search Videos

NFC Security

## Advanced Features

- ★ **Powerful Performance** – Latest Android 14 OS with 8GB RAM, 128GB storage, Octa-Core processor for ultra-smooth operation.
- ★ **Dual AI Whiteboard** – Comes with both Basic AI Whiteboard and Advanced AI Whiteboard featuring AI assistance for smart content creation.
- ★ **Multi-Format File Support** – Seamless import of PDF, PPT, Excel, Word, Videos, Images & more directly onto the whiteboard.
- ★ **Built-in 3D Models & Lab Simulations** – Subject-specific 3D models and interactive lab simulation tools within the whiteboard.
- ★ **Seamless Collaboration** – Live classes, document sharing, quizzes, online meetings – all without third-party apps.
- ★ **Preloaded Educational Content** – Complete syllabus of All State Boards and CBSE, NCERT, Coding & customizable learning content built-in.
- ★ Real-Time Speech-to-Text, Smart Recognition Tools,

## DTF SERIES with AI - Interactive Flat Panel

Available Size - 55", 65", 75", 86", 98"

4K UHD Ekin Interactive Flat Panel touchscreen is perfect for collaborative spaces. It replaces clunky or outdated projector technology with a high-quality display, advanced connectivity and built-in software solutions.

### Split Screen Feature - Screen Cast & Screen Mirror

- Use 2 platforms at a time.
- Works on Youtube, Chrome, Whiteboard etc. simultaneously.
- Multi Tasking on IFPD.
- Increase the productivity.
- Very easy to explain any topics.

### Advanced Features

- Android 14.0,8/128, with Octa core processor.
- Screen recording tools.
- 4K display with AG toughened glass.
- Speakers - 20Watt x 2
- Built-in AI whiteboard features according to NEP Guideline.
- 40-point multi-touch capability with wireless screen sharing.
- Effortless Media integrations with annotation.
- Text recognition, math formula recognition, shape recognition with AI.
- Drag & Drop on whiteboard from browser.
- Android & Windows operating systems.

## 4K Visualizer Cum Document Cam

EKIN DC2400

4K Scan

13 MP SONY CMOS Sensor

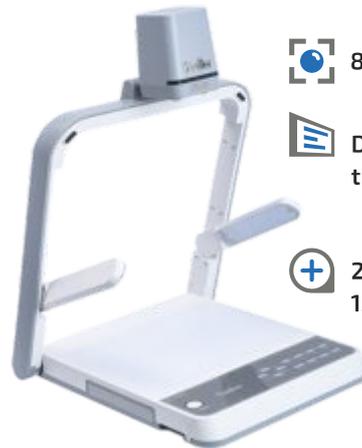

12X Optical Zoom  
10X Digital Zoom

- Upto A3 format
- Automatic / Manual Focus.
- Resolution - 3840 X 2160
- 90° Lens Rotation.
- Mouse Annotation function.

## Full HD Visualizer

EKIN DC2300

8 MP CMOS Sensor

Direct projection through projector

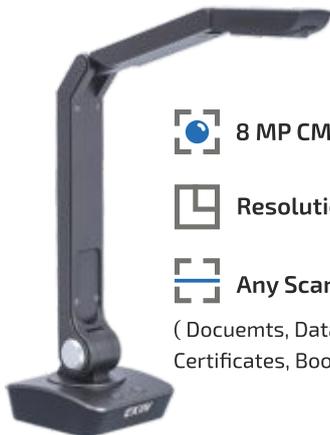

20X Optical Zoom  
12X Digital Zoom

- A4 Large format Shooting.
- CCFL backlight system.
- 180° Free Rotation.
- Fully touch Control panel.
- Hidden Remote control space.

## 4K UHD Camera

EKIN DC2250

8 MP CMOS Sensor

Resolution - 3264 X 2448

Any Scan in just 1 Second

( Documents, Data, Invoice / Bills, Certificates, Books, Real Object )

- Type C + USB2.0
- Auto Focus + Low Noise.
- PDF Conversion and Combination.
- Frame rates upto 30fps.
- Flexible Arm - Multi Jointed.

## Full HD Portable

EKIN DC2000

3 MP CMOS Sensor

Any Scan in just 1 Second

( Documents, Data, Invoice / Bills, Certificates, Books, Real Object )

- Auto Cropping technology.
- Video Recording.
- One Click OCR Function.
- Fixed Focus sensor.
- Touch LED with 3 Brightness Level.

# Motorized Monitor Lift

EKIN 3022 ( Hidden display monitor on meeting table )

- **Control method**

Button on top panel remote control.  
Central control wireless network control.

- **Safety protection**

Anti pinch hand protection for any accident.

- **Panel Button detail**

UP / DOWN / STOP for monitor operation, Tilt / back for angle adjustable.

# EKIN SMART TV

Full HD / 4K

Available Size - 32", 43", 50", 55", 65", 75", 86", 98"

## Advanced Features

- Picture processing - HDR, HLG.
- Resolution - 3840 X 2160
- Speaker Output - 20W + 20W
- 6 ms Response Time.
- Four Side Clear Viewing Angle.
- USB media player.

## EKIN 1130

1080P Full HD

**3X / 10X**  
Optical Zoom

**10X**  
Digital Zoom

- 2.07MP High Quality CMOS Sensor.
- 2D & 3D DNR.
- Auto / Manual / One Push Focus.
- 255 Points Preset.
- Low Noise & High SNR.
- High Speed Pan & Tilt.
- USB 2.0 interface.

## EKIN 1129

1080P Full HD

**3X**  
Optical Zoom

**16X**  
Digital Zoom

- 2.07MP High Quality CMOS Sensor.
- 2D & 3D DNR.
- Built-in dual Mic.
- AI-assisted Photography.
- 90° Wide Angle.
- 0.5Lux Low Illumination.
- USB 2.0, Type C interface.

## EKIN 1109

**AI TRACKING**

1080P Full HD

**12X**  
Optical Zoom

**16X**  
Digital Zoom

- 2.07MP High Quality CMOS Sensor.
- 2D & 3D DNR.
- Max. 1080P @60FPS.
- Audio on USB Supported.
- 255 Presets.
- AAC Audio Compression.
- USB Type C 3.0, HDMI, LAN interface.

## EKIN 1100

1080P Full HD

**10X**  
Optical Zoom

**16X**  
Digital Zoom

- 2.07MP High Quality CMOS Sensor.
- Auto / Manual Focus.
- Back light Compensation.
- Advanced ISP technology & algorithm.
- 255 Presets.
- 0.5Lux Minimum Illumination.
- USB 2.0 , 3.0, HDMI , LAN interface.

## EKIN 1240

**4K**  
30fps / 25fps  
**12X**  
Optical Zoom  
**10X**  
Digital Zoom

- 1/1.8 Inch High Quality 4K CMOS Sensor.
- Wide angle distortion free lens.
- 0.5Lux - Minimum Illumination.
- Auto / Manual / One Push Focus.
- Image Code Stream - Dual Streaming.
- USB Audio supported.
- 3.0 HDMI , LAN interface.

## EKIN 1170

**AI TRACKING**  
**4K**  
30fps / 25fps  
**12X**  
Optical Zoom  
**16X**  
Digital Zoom

- Sony 1/2.5" High Quality 4K CMOS Sensor.
- USB 3.0, 3G SDI, HDMI, LAN interface.
- 3D Digital noise reduction.
- Progressive Scanning mode.
- 0.5Lux - Minimum Illumination.
- 255 Preset position
- Audio compression - AAC. G711A.

## EKIN 1140

**AI TRACKING**  
**4K**  
30fps  
**12X**  
Optical Zoom  
**15X**  
Digital Zoom

- AI Human Detection.
- Built-in Gravity Sensor.
- IR & Wireless Remote Control.
- USB 3.0, HDMI, SDI, LAN interface.
- Low Noise and High SNR.
- Advanced Auto Focus Technology.
- 255 Presets.

## EKIN 1040

**4K**  
30fps  
**20X**  
Optical Zoom

- USB 3.0 interface.
- Advanced ISP technology & algorithm.
- 9 Preset position by Remote controller.
- Pan : 336°, Tilt : 120°.
- Shutter Speed - 1 to 1/10000s.
- Highest Resolution - 3840 X 2160.
- Auto / Manual Gain control.

## 4K Human Tracking

EKIN 1200

Built-in AI Engine Chip

4K  
60fps  
12X  
Optical Zoom  
16X  
Digital Zoom

- Automatically track human in crowd.
- 8.4MP SONY 4K CMOS Sensor.
- Built-in Gravity Sensor.
- 3D Noise reduction feature.
- USB 3.0 TYPE C, SDI , HDMI , LAN interface.
- Low power sleep function.
- 0.5Lux - Minimum Illumination.
- Backlight Compensation Supported.

## 4K Auto Tracking

EKIN 1400AT

4K  
30fps  
12X  
Optical Zoom  
15X  
Digital Zoom  
Dual Lens

6 Omnidirectional Array Mics

- 8.5MP SONY 4K CMOS Sensor.
- Leading Auto-Focusing Technology.
- Multiple Control Protocols.
- Low-Power Sleep Function.
- Intelligent Voice Positioning & Tracking.
- Auto Framing capability.
- Auto / Manual / One key Focus.

## Hardware VC Codec

EKIN 7340

AI SPEAKER TRACKING

4K  
30fps  
12X  
Optical Zoom

ALL-IN-ONE 4K VIDEO CONFERENCING ENDPOINT

- 8.42MP High Quality 4K CMOS Sensor.
- Built-in MCU ( 1 + 8 Networking ).
- Active 4K Dual Stream.
- Automatic echo cancellation (AEC).
- Automatic gain control (AGC).
- Automatic noise suppression (ANS).
- Lip-sync supported.
- USB3.0 Interface.

## VC 4K Bar Camera

EKIN 1160

4K 30 Fps

6 Digital Array mics

8X Digital Zoom

7 Watt Full range Speakers

AI

INTELLIGENT FRAMING - FACE DETECTION & SOUND SOURCE LOCALIZATION & VOICE TRACKING.

- 8MP High Quality CMOS Sensor.
- 120° Super large viewing Angle.
- Lossless audio transmission.
- EPTZ Camera.

## 4K Auto Framing

EKIN 1020

4K 30 Fps / 25 Fps

2 Omnidirectional mics

10X Digital Zoom

- 8.28MP High Quality CMOS Sensor.
- 120° Super large viewing Angle.
- Low Noise & High SNR.
- USB 3.0 interface / Plug-n-Play

## 4K Webcam

EKIN 1024

- Inbuilt LED light
- Inbuilt microphone
- Resolution - 3840 X 2160
- Touch Fill Lights
- 3 Level Light adjustment

## Full HD Webcam

EKIN 1010

- 2.07MP CMOS Sensor
- Inbuilt microphone
- Distortion less Lens
- Multiple Video Compression
- USB 2.0 interface

EKIN 1005

- 2.1MP CMOS Sensor
- 88° Large Wide angle
- Inbuilt microphone
- USB 2.0 Interface
- Auto Exposure

## All-in-One Smart Podium

Best suited for College Class Room, Conference Room etc. Premium quality metallic CRCA sheets are used to create the Ekin Digital Podium. The touch interactive panel is attached to the top of it. Highly configured computer system is integrated. Amplification, speakers, gooseneck and wireless mics, among other audio equipment, are all included in the audio system.

- Easy to use touch controller.
- Elegant & Clutter free design.
- Easy to operate.
- Advance digital podium which can be integrated with all Smart / Virtual Classroom Equipment.
- Customizable as per requirement.

### Specifications

Controller Type

#### EKIN DP500

Analog Controller  
(Physical Buttons)

#### EKIN DP600

IP-Based Android Controller  
(Touch UI, Network-Enabled).

HDMI Ports

3 HDMI Ports

4 HDMI Ports + Up to 8 Optional  
HDMI Ports.

HDMI Audio Extractor

Not Available

Built-in Audio Extractor from  
HDMI Input.

Central Control Integration

Not Supported

Supports Central Control System.

Connectivity

USB 2.0, LAN, Audio In/Out

USB 3.0, USB-C, VGA, LAN,  
Audio In/Out.

Software Tools

Basic Whiteboard & Annotation

Advanced Annotation, AI Tools,  
Split Screen, Recording.

FRONT VIEW

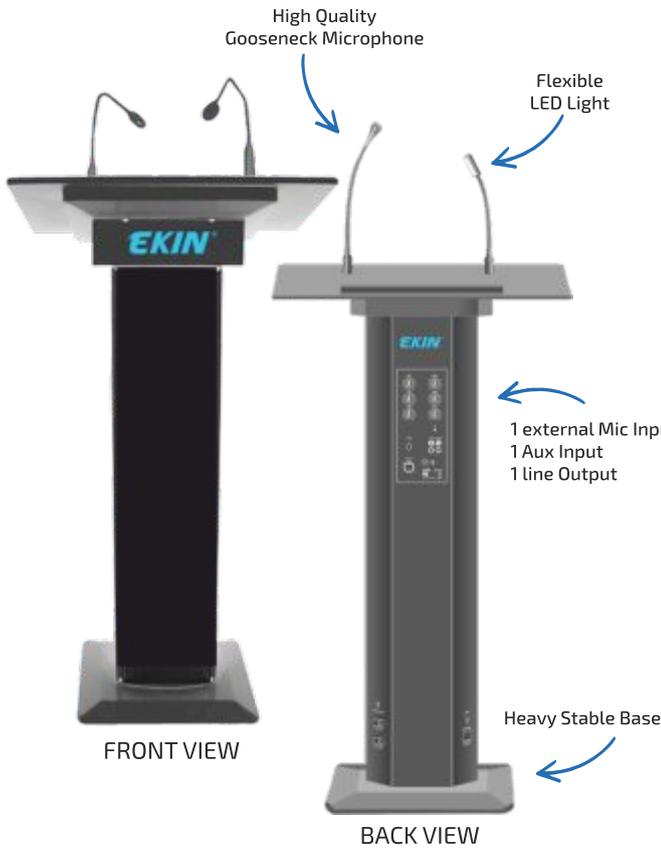

PERSPECTIVE VIEW

OPEN VIEW

# Audio Podium - AP620

With Gooseneck Mic & LED lights

- Detachable best quality Gooseneck Microphone.
- Inbuilt ECO & Repeat effects.
- Transparent mid & high-frequency response.
- Additional Jack for Extra Mic.
- Adjustable reading light.
- Inbuilt Bluetooth + USB Port.
- HDMI pass through port.
- Line out.
- Inbuilt battery.

# Touch Kiosk - Ekin K700

For Multiple Applications

- 21" Capacitive touch screen.
- 3mm Anti-Glare screen.
- 350 nits Brightness.
- Intel Core i5 CPU.
- 16GB RAM + 512 GB SSD Storage.
- Direct printing without need of ink or ribbons.

## BYOD 820

Dual Screen Wireless Conferencing Device

- Support both 1080P & 4K Dongle.
- Support Camera Switching.
- Support 4K HDMI Input.
- Support USB Cam / Mic / Speaker transmission over Wi-Fi.
- Support display content sharing to participant .

## VM 10

- USB & HDMI input mixing with multi-view.
- Dual High-Quality Outputs.
- Remote Control Options.
- Integrated Audio Mixer.
- Compact & Plug-and-Play.

## USB Dongle

USB / HDMI Type Transmitter

This dongle supports USB-C, HDMI, and USB connections, ensuring compatibility with all our wireless media bases for seamless casting., it provides a different user experience with touch and tap, with is more easy and efficient; as same with HDMI, USB & TYPE C dongle, it doesn't require installation of any software or driver, what's more ? neither it needs additional USB power cable to connect, which gives more convenience to use.

- Capacitive touch Key and vibration
- Green / Red colour back-lit LED indicator
- Up to 1200Mbps Wi-Fi data rate.
- Audio Input - HDMI 2CH PCM
- Video Input Formats - HDMI 1.4
- USB type A, USB 2.0 Interface

## Central Controller

Web based Programming Host

This is a half-U central control host, it can be used for the command control center, office and building automation, multimedia environment and home automation centralized devices control, It combined programmable logic and protocol with programmable user interface together, provide full network and intelligent central control technology.

- Supported device types -  
Relay X 4, IR X 4, RS232 X 3, LAN X 1
- CPU - ARM Cortacts- A7 528 MHZ
- Operating system linux
- Supports various network control protocols (TCP / UDP / Telnet / Http).

## BYOD 860

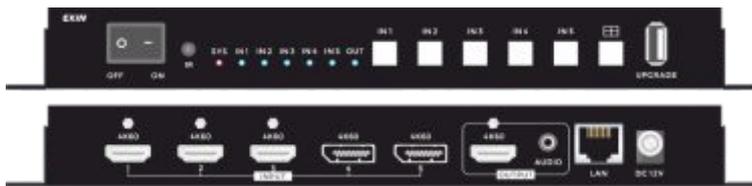

Matrix Switcher - Make your own Matrix

- 8 HDMI inputs and 9 HDMI outputs.
- Supports HDMI1.4, HDCP1.4, resolution up to 4K.
- Deep Colour support 48 / 36 / 30 / 24-bit.
- Supports LPCM 7.1CH, Dolby TrueHD, Dolby Digital and DTS-HD Master Audio.
- Supports IR remote control ( IR remote control codes are available).
- Supports smart EDID management, including 8-output EDID, 15 internal EDID.
- Supports RS-232 and TCP / IP Control ( WEB GUI, APP and IR remote ).

## BYOD 501

5 X 1 - 4k Switcher and Multi-viewer

- Support HDMI2.0, and the resolution up to 3840 X 2160@30Hz.
- Support seamless switching even when different resolutions inputs.
- Support the front panel push-button, IR remote and the RS232 control.

## BYOD 404

4k60 4x4 HDMI2.0 Matrix Switcher with EDID Management

- 4 HDMI 2.0 inputs.
- Supports HDMI 2.0, HDCP 2.2.
- The resolution can up to 4K@60Hz.
- Supports LPCM 7.1CH, Dolby True HD, Dolby Digital and DTS-HD Master Audio.
- Supports smart EDID management, including 4-output EDID, 15 internal EDID.
- Supports RS-232 and TCP/IP Control (WEB GUI, APP and IR remote).
- Supports push buttons control with blue lights.
- Supports to rename the inputs and outputs, scenes.
- 4 HDMI 2.0 outputs with one independent 3.5mm / SPDIF audio.

## Ekin 4375

Professional Grade Omnidirectional Speakerphone

- Ai Noise Suppression.
- Wireless Connectivity.
- Built-In 4 HD Mic arrays.
- Built-in Battery.
- Support Bluetooth and USB.

## Ekin 4350

Wireless Conference Speakerphone

- 4 Microphone array + 2 extension mics.
- Built-in 3000mAh battery.
- Dynamic background Noise reduction.
- Finely-tuned Hi-Fi Speaker DSP AUDIO.
- Acoustic Echo cancellation.

## Ekin 4320

Bluetooth Speakerphone

- Full duplex echo cancellation.
- Speaker volume up to 80dB.
- Dynamic Noise suppression.
- Support 360-degree sound pickup.
- 1000mAh Built-in lithium battery.

## Ekin 4220U

Array Speakerphone – Up to 6 Linked

- Automatically adapting in 48KHz.
- Noise cancellation feature.
- Advanced chaining technology.
- 3 internal uni-directional mic.
- Plug and Play.

## Ekin 4011B

For Individual, Small conference room, Hurdle room

- USB / Bluetooth plug and play.
- Earphone mode for private communication.
- Mic. converge of 3 meter. Omnidirectional.
- Full-duplex audio communication.
- Echo Cancellation, Noise Suppression, Automatic gain control.

## Ekin 4011U

For Individual, Small conference room, Hurdle room

- Echo Cancellation, Noise Suppression.
- USB plug and play.
- Earphone mode for private communication.
- Full-duplex audio communication.
- Plug and Play.

# Wireless Digital Discussion Conference System ( Chairman / Delegate Mic )

- Stylish, low-profile design with touchable interface.
- Built-in DC connector for power supply without battery.
- Internal high-fidelity loudspeaker.
- Head-set interface Volume adjust.
- Active Noise Control.
- Automatic Gain Control.
- Adaptive Feedback cancellation.

## Ekin AP 5G

2.4 / 5GHz Conference Access Point

- Typical coverage range 30m.
- Each AP can connect up to 50 conf. units.
- Install on ceiling, wall or with stand.
- 5GHz dual band communication.
- LAN support POE power supply.

## Ekin BTC8

Charger for Battery

- Three hours needed to fully charge.
- MAX 8 pcs battery charging at one time.
- Wide range power input : 100V~240V AC.
- Contactor by pop-up pins.
- Buckle housing to prevent poor contact.

## Ekin AP2000

Wireless & Wired Conference System / Audio tracking processor

- Echo cancellation.
- Advanced voice processing technology.
- Wi-Fi technology and self-adjustment technology.
- Lossless audio transmission technology.
- 8 segment equalizer adjusted independently.
- USB memory ROM 32Gb (Via included USB stick).
- Maximum 8-channel audio output.
- Hand-in-Hand-Loop-Network.

## Ekin 8030

Wireless Microphone

- Infra-red automatically tunes 100 channels.
- Super heterodyne Receiver.
- Frequency Response : 50Hz-15kHz
- Frequency selection : Auto / Manual.
- Detachable range extender antenna.
- Easy rack mountable.

## Ekin 1585

Wireless USB Microphone

- Stable signal & Crystal clear sound.
- Polar Pattern - Uni-Directional.
- Frequency Response - 50HZ-15KHz.
- Tough & Durable Metal Construction.
- LED Indicators.

## Ekin 1550

USB - Directional Microphone

- Full metal body with tripod.
- Adjustable angle & height.
- Cardioid pattern eliminates background noise.
- Latency free 3.5mm headphone control unit.
- 16mm capsule amplifies your voice despite distance.

## Ekin 5100

Mountable / Table top Speakers

- High quality speaker for classroom.
- Active + Passive speaker of 50 watts.
- Input socket for 3rd party mic integration.
- Input and output for integration with PC.
- Mounting on the wall or put on table.

## Ekin 4385

Active Speaker with Microphone

- 60 Watt Active speaker.
- High quality speaker.
- Integrated microphone.
- Super Heterodyne receiver.
- Inbuilt echo cancellation.

# ACCESSORIES

**UEX10**  
USB Ext cable - 10 Mtr.

**SP102**  
1 x 2 HDMI splitter

**HEX05 / HEX10**  
HDMI Cable - 5 Mtr. / 10 Mtr.

**ST07A**  
Stylus Pen  
for IFP

**ST103**

## 1. JUDICIARY EXCELLENCE ACROSS INDIA – HIGH COURTS & LEGAL INSTITUTIONS

**Project :** Specialized AV & Digital Solutions for the Indian Judiciary.  
**Year :** 2024

EKIN has established itself as a trusted specialist in judiciary-focused AV solutions, delivering end-to-end digital infrastructure to multiple High Courts across Maharashtra, Odisha, Jharkhand, West Bengal, and Rajasthan. Through projects involving E-Court setups, secure Video Conferencing systems, and E-Sewa Kendras, EKIN has empowered the legal ecosystem with modern technology. The deployed solutions include high-quality PTZ Cameras, LED Display, Speakerphones, Hardware Codecs, advanced Visualizers, and Visual Presenters - ensuring seamless digital hearings, clear evidence presentation, and enhanced citizen services within the court premises.

## 2. GOVERNMENT OF RAJASTHAN – DEPARTMENT OF TECHNICAL EDUCATION, JAIPUR

**Project :** Statewide Virtual Classroom Implementation for ITIs.  
**Year :** 2023 - Delivered in 2 months.

As a proud technology partner, EKIN provided 144 Customized Digital Podiums with 4K Cameras that were integrated into Virtual Classroom Solutions deployed across 144 ITI Colleges under the Department of Technical Education, Government of Rajasthan. The project was executed through an authorized system integrator, ensuring seamless AV integration and rapid deployment.

## 4. EDUCATION DEPARTMENT - TRIPURA

**Project :** Smart Classroom Solutions for Technical Colleges.  
**Year :** 2023

The Education Department of Tripura, known for its focused efforts in uplifting technical and higher education in the Northeast, partnered with EKIN to digitally upgrade its network of technical colleges. Since 2023, EKIN has been providing Smart Classroom Solutions and tech-enabled learning environments across institutions.

## 6. UNACADEMY – PAN INDIA ( HQ : BENGALURU )

**Project :** Smart & Virtual Classroom Setup for Coaching Segments.  
**Year :** July 2023 to 2025.

EKIN partnered with Unacademy, a leading ed-tech platform, to deliver high-quality Smart and Virtual Classroom Solutions across 250+ locations in India. The project included the supply of Interactive Panels, PTZ Cameras and other classroom devices enabling seamless live teaching, multi-location delivery, and interactive learning for diverse educational streams.

## 3. VIDYA BHARTI SANSTHAN (AVM SCHOOLS) – ACROSS RAJASTHAN

**Project :** Smart Classroom Setup in AVM Schools.  
**Year :** June 2023.

EKIN has been actively equipping Adarsh Vidya Mandir (AVM) Schools under Vidya Bharti Sansthan with state-of-the-art smart classroom technology across Rajasthan. 200+ schools digitization have been successfully done, enabling a digital-first learning environment tailored to school-level education.

## 5. POLYTECHNIC INSTITUTIONS – KOLKATA, WEST BENGAL

**Project :** Hybrid Classroom Setup across Government Polytechnic Colleges.

EKIN implemented Hybrid Classroom Solutions across 25 Polytechnic Institutions in West Bengal, primarily focused in Kolkata. The project involved the supply and integration of Interactive Flat Panels, Sliding Cabinets, and other essential classroom devices, creating a future-ready, digitally enabled learning environment. These setups are designed to support both in-person and remote learning, making technical education more flexible, interactive and accessible across the state.

## 7. VEDANTU INNOVATION PVT. LTD. – PAN INDIA ( HQ : BENGALURU )

**Project :** Large-Scale Virtual Classroom Solution.  
**Year :** July 2024 to present.

Vedantu, a leading online education platform, implemented EKIN's advanced AV solutions to enhance their virtual classroom infrastructure across 280+ locations in India. The deployment included Interactive Flat Panels, 4K PTZ Cameras, and Full HD PTZ Cameras, ensuring superior content delivery and interactive learning setups.

“

We are delighted with the interactive flat panel and other components provided by Ekin for our corporate training sessions. The quality of the products is exceptional, and the ease of use has made our training sessions much more engaging and interactive. Thank you, Ekin, for providing us with such a reliable and effective solution." The interactive flat panel and related components from Ekin have exceeded our expectations in terms of quality, performance, and reliability. Our students have shown a marked improvement in their learning outcomes since we started using Ekin's smart classroom solutions.

Highly recommend Ekin's products to any institution looking to upgrade their teaching facilities."Ekin's interactive flat panel and related components have revolutionized the way we teach and learn. The products are user-friendly, versatile, and enhance student engagement and participation.

We are grateful to Ekin for providing us with such innovative and impactful solutions."

Government of Tripura Women's Polytechnic

## The Impact We've Made

“

We have been using around 10-12 nos Ekin's Smart Class Room Solution & Video Conferencing Systems for our remote meetings and webinars in our University and we are extremely satisfied with their products and after sales - services. The quality of the video and audio is outstanding and the ease of use has made our remote communication seamless and hassle-free. Thank you, Ekin, for providing us with such an excellent solutions for our Students and Employees.

Ekin's team has been very helpful in providing excellent service and support and Highly recommending Ekin for their Smart class Room system & video conferencing solutions.
